POLICY/LEGISLATIVE UPDATES

Council Member Calloway is initiating two task forces- Human & Sex Trafficking and Youth & Civic Engagement. The Council Member is looking for advocates, educators, and community groups to help us build out the task forces. Please contact the office if you are interested.

Council Member Calloway recently requested a report to be done on Black Maternal Mortality Rate. According to studies, Detroit's maternal death rate is three times the national average and pregnant Black women are 4.5 times more likely to die than non-Hispanic white women. Council Member Calloway hopes the report will shed more light on the crisis and work with the Health Department to find solutions. Read the complete article: **'America is Failing its Black Mothers'-Harvard T.H. Chan School of Public Health** hsph.harvard.edu/magazine/magazine_article/america-is-failing-its-black-mothers/

Youth and Student Homelessness in the city of Detroit is staggering. The University of Michigan Poverty Solutions Center projects there are over 14,000 homeless or housing insecure students in Detroit. Council Member Calloway has requested these issues be sent into Executive Session so that the council and city can work to source funding programs to end student homelessness in Detroit. Read **'Homeless Students are undercounted and underserved in Detroit'** at sites.fordschool.umich.edu/poverty2021/files/2021/08/Educational-Implications-of-Homelessness-and-Housing-Instability-in-Detroit-2021.pdf

WHAT IS EXECUTIVE SESSION?

1. During a budget hearing, a Council Member can put a particular budget of an agency into Executive Session for further deliberation.
2. A Council Member may put the "entire budget" of an agency into Executive Session to obtain more information of a particular budget or issue.
3. A Council Member can put an issue into Executive Session to go into the Council's Closing Resolution, which the Council body will discuss later.
4. Council usually puts an issue in its Closing Resolution to urge the Administration to find the funding or find an opportunity to implement a Council initiative in the upcoming fiscal year.

Here's what Council Member Calloway has sent to Executive Session during the City Council Budget Hearings:

- Housing and Revitalization Department (HRD)
 - Addressing Youth/Student Homelessness
 - Detroit Based Average Median Income (AMI)

POLICY/LEGISLATIVE UPDATES

HOPE CLINIC AT PARKMAN LIBRARY

The office of Council Member Calloway collaborated with Council Member At-Large Mary Waters to host a clinic at Parkman Library on Oakman Blvd. Together both offices knocked on over one hundred and fifty doors to notify residents in District 2 about the clinic. The purpose of the March 19th clinic was to assist with the completion of Homeowners Property Exemption (HOPE) applications for those with delinquent property taxes. HOPE provides an opportunity for homeowners to be exempt from their current year's property taxes based on household income or circumstances. The HOPE application is annual and strongly encouraged by the Wayne County Treasurer's Office (WTCO). Approved residents are urged to make regular payments no matter how small as long as they stay compliant with their payment plan. We are proud of our work at Parkman Library and we look forward to hosting more clinics that focus on the betterment of our residents' lives in District 2. RESIDENT UPDATES

RECOGNIZING SHENARD FOSTER AND LOYOLA HIGH SCHOOL

HAPPY 51ST WEDDING ANNIVERSARY!

Congratulations to Preston and Sandra Mayberry for 51 years of marriage. The Mayberrys have displayed a strong commitment to each other and their community. We salute you for your exemplary service to the city of Detroit and we wish you many more years of true love, peace and happiness.

Shenard Foster of the Loyola High wrestling team was honored by District 2 Detroit City Council on March 18th. When Foster transferred to Loyola High, they did not have a wrestling team. School officials quickly organized a team and this season Foster went undefeated. Foster won the state championship in 160-pound Division 4 during the MHSAA Individual Wrestling Finals at Ford Field in Detroit. The wrestling team now has five members, and Foster's hard work continues to be an inspiration to his teammates and community. Shenard Foster became the first wrestler from Detroit Loyola to win an individual wrestling state championship and he was named the Metro Detroit Athlete of the Week. To read more about Foster's story, visit **MLive's Shenard Foster of Detroit Loyola wrestling is voted Metro Detroit Athlete of the Week**

The letter is being sent to the address listed on your driving record and has been posted to your Secretary of State online services account. The letter lists the violations and suspensions that will be cleared from your record and states if you need to take additional action to resume driving. Join People for Palmer Park on Saturday, April 23, 2022, from 10 am – 3 pm as we celebrate Earth Day by cleaning up our beloved park.

(Note: Ticket location is a meeting point, not the subject of the clean-up)

People for Palmer Park will be providing gloves, trash bags, hand- sanitizer, and light refreshments. Please bring your own water bottle!

Invite family, friends, neighbors, co-workers and any other nature lovers in your life! Masks on – social distanced – doing our part to stop the spread of COVID-19.
